

# Over Annual Parish Meeting

Tuesday 23rd April 2019, 7.30pm, The Seminar  
Room, Over Community Centre

We welcome everyone to a meeting for residents to learn more about what's happening around the Village, make suggestions, meet new neighbours and friends. The Parish Council will report on their activities during the year and, in particular, progress towards a draft Village Design Statement and proposals for habitat and wildlife enhancements around the village.

The VDS will look at priorities for the village in future years for landscapes, character areas, amenity space, moving around, the green network, streetscape and village edges.

The ideas for habitat and wildlife enhancements follow from the top responses in the Village Amenity Land Use Survey of April last year.

The meeting is open to all local electors in the parish of Over and provides a greater opportunity to discuss local issues with council members in a more informal setting. Councillors attend this meeting as members of the Public. This is not a standard Parish Council meeting where only councillors speak but is chaired by the Chair of the Parish Council in accordance with Section 13 of the Local Government Act 1972

Please come along and give your views
