**Drop-in exhibition  
1 May, 3.30-8pm  
Over Community  
Centre**

South Cambridgeshire District Council are consulting on the draft **Over Village Design Guide Supplementary Planning Document**.

The Village Design Guide has been developed with the input of many members of your community so far, as part of a ground-breaking initiative.

It explains what makes Over special, and how new development in and around the village should reinforce and enhance the character of the village.
