PUBLIC OPEN MEETING.

To be held at Over Community Centre, Seminar Room
on Wednesday 13th February at 7-30pm- 8.30pm.

To discuss development for the area of land behind no's 30-32 New Road, Over

You are probably aware that there was a planning application for 44 units on the field behind the bungalows numbered above. (Application Ref S/1279/18/FL)

The application was turned down by South Cambridgeshire District Council and the applicant has now appealed. It could take up to 9 months for the appeal to be dealt with.

The applicant believes that it will not be long before the delivery of new housing falls behind the assumptions made in the South Cambridgeshire Local Plan and that this will give grounds for a further successful application in due course.

With this in mind the Parish Council would like to assess your views on what should be developed in this area of the Village. The planning application would provide for local open space and your ideas and opinions are being sought to allow the Parish Council to put together a proposal to the applicant to state what the Village of Over would like to see in this area.

Please contact the Clerk if you would like any further details via email on overparishclerk@hotmail.co.uk.

This meeting is your chance to express your ideas.

Please attend and give your views.
