

## ARTIME ART EXHIBITION

**Saturday 21<sup>st</sup> August 2021**

**2.00 - 4.30pm**

**ARTIME** is one of Over's local Art Groups and we will be exhibiting some of our work in the **Seminar Room at the Over Community Centre** to run alongside the Over Produce Show.

**Come along for a browse and identify local scenes, purchase a painting, or choose from a selection of greetings cards.**

Artime are a group of like-minded enthusiasts, both beginners and old hands, who like to chat, try out techniques and learn from each other. We use a wide variety of artistic materials to create our pictures. For more information call Helen on 07950 902631

Try your hand at the **Sail Around Britain Competition**. Some of you will remember when New Road was closed to move Simon's home build boat from the back garden for transportation to the coast... Simon is now sailing single handed around Britain. A large map detailing his passage will be on display at the **Artime Art Exhibition**.

**For the suggested minimum donation of £1 per guess, (which will go towards the British Heart Foundation), you have the opportunity to estimate...**

- **How far Simon will have travelled in nautical miles from start to finish. A nautical mile is just over one land mile.**

The nearest guess will receive a bottle of Scottish whisky or, if preferred, a bottle of Prosecco. In the unlikely event of more than one accurate guess the names will be placed in a hat and a winner drawn.
