

On Saturday 24<sup>th</sup> March, the A14 Cambridge to Huntingdon scheme will welcome hundreds of customers to site for tours of the project as part of 'Open Doors - Get in to Construction' week.

**Open Doors** is a national event offering the public the chance to go 'behind the scenes' and discover how roads, structures and buildings in their local communities are made.

We're taking bookings now for sessions at a Brampton, Ermine Street and Swavesey, which will include a short presentation of the scheme, a guided tour of works sites and a chance to speak to members of the different teams over hot drinks and biscuits back at the compounds. Places are limited and are being booked quickly.

Please use the links provided or visit [www.opendoors.construction.co.uk](http://www.opendoors.construction.co.uk) to book your place.
